George C. Yount

Grades
K-2

Forms
Form 1, Form 2

Students Assessed
5

The Shaywitz DyslexiaScreen is a teacher rating scale of language and academic risk factors that indicates whether a student may be at risk for dyslexia. The results of the Shaywitz DyslexiaScreen alone are not sufficient to diagnose or rule out dyslexia; however, the results provide a reliable and valid indication of risk for dyslexia based on teacher ratings.

Student	Age	Sex	Test Date	Teacher	School	Grade	Classification ▲
Calhoon, Terry 3546	8:11	Female	9/13/2017	Moore, Daniel	George C. Yount	1 Form 1	**At risk**
