

DIGITAL
ASSESSMENT
LIBRARY

Going digital in your district has never been easier!

Want to improve diagnostic assessment outcomes for students while reducing costs?

Want to level out your assessment costs from year to year and simplify purchasing?

Ready to improve efficiency and accuracy by digitally administering, scoring, and reporting?

Now's the time...

For a fixed, annual price—based on the number of students enrolled in your district—your district can have a license to access and use Pearson's Digital Assessment Library for Canadian Schools (DAL). There's never been a better time to take advantage of these easy-to-use systems to administer, score, and report/store assessment data. Designed to support student equity and evaluations in the district, whether you're testing for eligibility or progress monitoring.

Delivered through Q-interactive® and Q-global®

Q-interactive is an intuitive, portable system that uses two iPad® devices connected by Bluetooth®. Q-global is our web-based system for self-administered or proctored assessments. Use it to administer, score, and generate reports for assessments, even those with paper forms.

The library provides unlimited use of these systems, access to digital stimulus books and manuals, and extensive training resources. The assessments and resources cover Ability, Achievement, Behaviour, Mental Health, Speech and Language and Motor Sensory, all of which automatically upgrade to new editions as they're published.

The DAL gives you valuable time back...time that can now be spent focusing on your students. There are countless other benefits...you will virtually eliminate endless inventory management, reduce paper waste, shipping time, costs, and level your assessment spending year-to-year...and much, much more.

Unlimited use, one annual price:

- use whichever assessments you need
- whenever you need them
- with whomever supports your students

Pricing:

- 1 – 9,999 students:** \$3.15/student/year
- 10,000 – 99,999 students:** \$2.10/student/year
- 100,000+ students:** \$1.05/student/year
