

# Digital Assessment Library for Student Mental Health

## Do you have the tools to stay on top of anxiety, depression, suicidal ideation, and other mental health challenges facing your students today?

Many high schools and higher education institutions are dealing with a student mental health crisis. In an effort to make sure any student struggling with mental health issues can be identified, Pearson has built the Digital Assessment Library (DAL) for Student Mental Health.

Delivered online through Pearson's Q-global® platform, this library of digital assessments has been designed as an affordable, unlimited-use subscription so that counselors and student mental health professionals have access to the highest quality mental health assessments at a flat, worry-free annual cost without concerns about additional fees.
