

Lighten your load with *digital* stimulus books and manuals

The right tools for the journey ahead

All administration components for KTEA-3™, KTEA-3™ Brief, WRAT™5, and WRMT™-III are now available as digital versions in the Q-global® Resource Library!

The Q-global Resource Library has two folders: General and Restricted folders (see back page). The General folder contains basic information about the assessment, sample reports, and help files. The General folder is open to all Q-global users. The Restricted folder contains product-related components for qualified users for purchase.

Yes! You can:

- Use ANY device with a 9.7" sized screen (diagonally) or larger
- Avoid the wear and tear of paper-based stimulus books
- Buy individual components or a digital kit of administration materials (Record forms and response booklets are not included)
- Store your digital assets in the same system as your scoring and reporting
- Start using digital assessment materials easily with one device, even if you're not ready to add Q-interactive which requires two iPads
- Access testing materials anytime, anywhere (must be online to access and use stimulus books and manuals; other items may be downloaded)
