Q-interactive®

Move to Digital with Q-interactive

Administer interactive assessments with an intuitive, portable system that uses two iPad® devices connected through technology within the hardware. Use one iPad to access the test administration instructions, score and record responses, and control visual stimuli. The examinee uses the other iPad to view and respond to stimuli.

Why Digital?

✓ Improved client outcomes
✓ Increased engagement
✓ Reduced time and cost
✓ Minimized inventory management
✓ Automated scoring and reporting
