California Verbal Learning Test THIRD EDITION

Introducing the California Verbal Learning Test, Third Edition (CVLT®3)

The California Verbal Learning Test, Third Edition (CVLT3) is an individually administered assessment of the strategies and processes involved in learning, recalling, and recognizing verbal information. It goes beyond measuring the *amount* of acquired verbal material to also measuring *how* verbal learning occurs or fails to occur.

Key Features:

- Target words for Lists A and B remain the same from CVLT®-II
- Administration available in both paper and digital formats
- Improved scoring and reporting on the Q-global and Q-interactive platforms
- Introducing index scores using the standard score metric to reflect performance on Trials 1-5, total delayed recall, and overall recall
- Introducing age-adjusted scaled scores for most measures
