The leading instrument for supporting the diagnosis of intellectual and developmental disabilities.

**Benefits**

- Addresses today’s special needs populations, such as individuals with intellectual and developmental disabilities, autism spectrum disorder, and ADHD
- Updated with new norms, improved items, and online administration and scoring
- Useful for diagnosis, qualification for special programs, progress reporting, program and treatment planning, and research
- Offers both respected semi-structured interview format which focuses discussion and gathers in-depth information, and also offers convenient rating forms

**Many applications**

With Vineland-3 you can measure adaptive behaviour of individuals with:

- Intellectual and Developmental Disabilities
- Autism spectrum disorders (ASDs)
- ADHD
- Post-traumatic brain injury
- Hearing impairment
- Dementia/Alzheimer’s disease

**The standard for measuring self-sufficiency**

Since the beginning, Vineland Adaptive Behavior Scales has been a leading measure of personal and social skills needed for everyday living.

Psychologists and other professionals continue to depend on it to identify individuals who have intellectual and developmental disabilities, developmental delays, autism spectrum disorders, and other impairments.

Not only does Vineland aid in diagnosis, but it gives you valuable information for developing educational and treatment plans.

**Major enhancements**

- Updated item content and new norms
- Separate Parent/Caregiver and Interview Forms - with simplified item wording on the Parent/Caregiver Forms
- Introduction of basal and ceiling rules to Parent/Caregiver and Teacher Form administration
- New domain-level versions of the Interview, Parent/Caregiver, and Teacher Forms will offer a reliable, valid assessment at the domain level only, allowing for reduced administration time
- Comprehensive Forms also available for the Interview, Parent/Caregiver, and Teacher Forms for a more in-depth evaluation similar to the Vineland-II
- Online administration available for all forms through Q-global®
