

Get critical support with Review360<sup>®</sup>'s **Incident Tracking** functionality—a robust, easy-to-use feature within the Review360 platform to report, manage, and track all types of student incidents.

Review360's web-based behaviour system—accessed on any web-enabled device—provides a solution for **data collection and aggregation**. Content, and support materials, also available within the system, help implement what works in a practical and efficient manner.

### Electronically Report and Track Incidents:

- Minor incidents (i.e. in-class)
- Major incidents, such as:
  - Office referrals
  - Bullying
  - Threats
  - Health incidents

### Respond Appropriately or Prevent

Review360's Incident Reporting capabilities offer efficiencies for:

- Teachers to report and respond to incidents quickly and easily
- Assign appropriate consequences
- Communicate with parents and/or staff
- Track data
- Provide supports

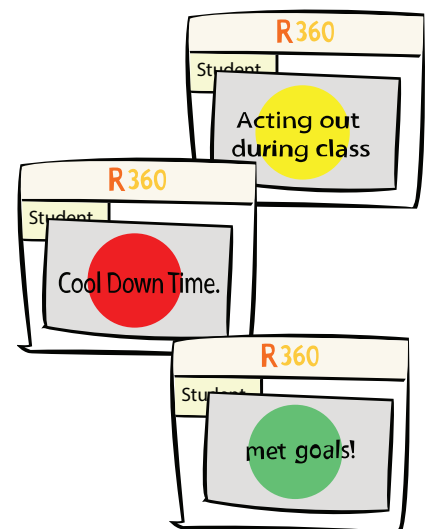

Incident reports show trends indicating when, where, and what types of most inappropriate behaviours occur—information which can assist in enabling prevention.

### Evaluate Effectiveness and Resource Allocation

Data-driven to support programming and resource allocation, use information collected by Review360's Incident Reporting feature

- Evaluate effectiveness of programming or interventions
- Plan resource allocation

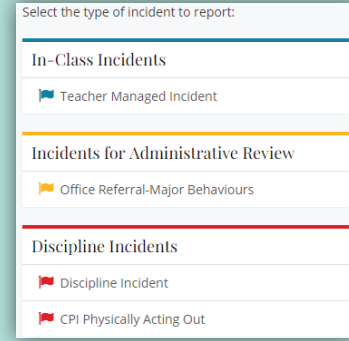

**Review360 may  
be configured  
to suit local  
requirements or  
initiatives.**

# Track

The path to positive school climate starts with observation and identification.

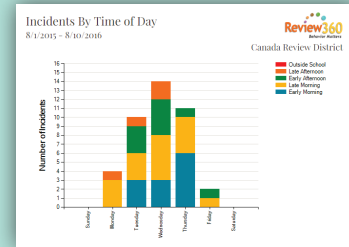

Review360 provides a solution with easy-to-complete reporting forms. These forms' ease of use promote regular tracking of incidents by teachers and administrators, while ensuring consistency in data reporting.

# Aggregate

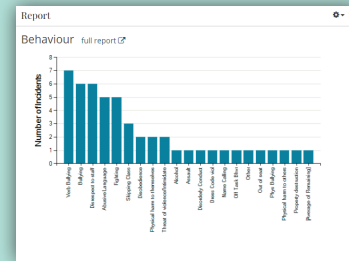

Compiling and evaluating incident information,

Review360 organizes incident data in a centralized database, easily accessible to teachers and administrators to get a complete picture.

# Analyze

Review360 provides the means to make data-driven decisions.

# Intervene

The key to improved positive school climate is implementing effective supports and programming. Review360 prepares teachers with practical strategies and resources driven by data that fit students' profiles. A progress monitoring tool is also available.

# Communicate

Review360 supports fluid communication among teachers, administrators, and parents, resulting in continuity of services, consistency for the students, and a positive learning environment.

- Portable:** functions on tablets, mobile devices and PCs
- Web-based:** accessible from any device connected to the Internet
- PIPEDA compliant:** servers reside in Canada
