

Bayley™-4 Overview

Presented by: Eileen Garza, OTR, ATP/SMS, PhD, FAOTA

Wednesday, November 5, 2025

Time: 12:00 p.m. to 3:30 p.m. ET

Delivery method: Live webinar

Instruction level: Intermediate

Sponsored by: NCS Pearson, Inc.

Course Description

This 3.5-hour session provides a broad overview of the Bayley Scales of Infant and Toddler Development™ (4th ed.; Bayley-4), the most comprehensive assessment tool for determining developmental delays in children. Using video demonstrations, discussions, and practice activities, participants will build confidence in their subtest administration and scoring skills with all domains, as well as review basic interpretation of scores.

Learner Outcomes

After completing this learning track, the participants will be able to:

1. Describe the three interrelated elements the Bayley-4 uses to assess cognitive, language, and motor development.
2. Explain two general guidelines for administration and scoring of the Bayley-4 Cognitive, Language, and Motor subtests.
3. Discuss scoring of the Bayley-4 and interpretation of results

Time-ordered Agenda

5 minutes	Introduction
30 minutes	General Test Information
120 minutes	Subtest Administration and Scoring
50 minutes	Deriving Standard Scores and Interpretation
5 minutes	Q&A

About the Presenter

Eileen Garza is an occupational therapist with over 40 years' experience as a practitioner and educator. Her areas of clinical expertise include school-based practice, hands-on, and community-based practice. Eileen also has extensive expertise in delivering training through both face-to-face and virtual platforms. She frequently presents continuing education sessions to audiences with diverse backgrounds, including families, occupational therapy practitioners, and other professional disciplines on a local, state, national, and international level.

Disclosure

Financial: Eileen Garza is a licensed occupational therapy practitioner employed by Pearson Clinical Assessment.

Nonfinancial: There is no relevant non-financial relationship to disclose.

NCS Pearson, Inc., the sponsor of this webinar, develops and distributes assessments and intervention tools for speech-language pathologists, occupational therapists, and psychologists. This offering will only include information that pertains to the effective and appropriate use and interpretation of Bayley-4, published by NCS Pearson. No other assessments will be discussed during this presentation.
